

SafeCREW Final Conference

Agenda

Thursday, 26 March 2026

Location: Hanse Office, Av. Palmerston 20, 1000 Bruxelles

09:00 -09:30 Registration & Welcome

- 09:30 **Welcome** (SafeCREW: Anissa Grieb; Hanseoffice: Stella Tutunzi; REA: Paul Webb)
- 09:45 **Invited speaker:** Water Safety Plans (Oliver Schmoll, WHO Regional Office for Europe, European Centre for Environment and Health)
- 10:05 **SafeCREW:** Management solutions for drinking water distribution networks under climate change (Irene Jubany, Eurecat)
- 10:25 **intoDBP:** Innovative tools to control organic matter and disinfection byproducts from source to tap (Wolfgang Gernjak, ICRA)
- 10:45 coffee break (30 min)*
- 11:15 **SafeCREW:** Occurrence of novel highly polar sulfonated disinfection by-products in drinking water (Maolida Nihemaiti, UFZ)
- 11:35 **SafeCREW:** Risk management framework and monitoring solutions supported by soft sensors (Manuela Antonelli, POLIMI)
- 11:55 **H2OforAll:** Insights and achievements of the project (Rui Martins, University of Coimbra)
- 12:15 **Panel discussion:** DBP risk mitigation – presence and future (Wolfgang Gernjak, Irene Jubany, Rui Martins, Oliver Schmoll, Bertrand Vallet (DG-RTD), Andrea Rubini (Water Europe))
- 12:45 Lunch break (1 hour)*
- 13:45 **SafeCREW:** Guideline for implementing disinfection in drinking water supply systems (Cynthia Kalweit, UBA)
- 14:05 **SafeCREW:** Chemical-free regeneration of macro-porous anion-exchange adsorbers for the removal of Natural Organic Matter (NOM) (Mathias Ernst, DVGW-TUHH)
- 14:25 **SafeCREW:** Transferring methods to Ukraine (S.Y. Martynov, NUWEE, tbc)
- 14:45 Wrap-up and concluding remarks (Sofia Pachini, REA & Anissa Grieb, DVGW-TUHH)
- 14:55 End of public conference
- 15:00 networking coffee (30 min)*

This project has received funding from the European Union's Horizon Europe research and innovation programme under grant agreement No 101081980.
